Do you know someone (maybe you) who made a gigantic change in lifestyle once they became a Christian? If appropriate, share that person's testimony with your son or daughter.

John 10:28-29

Discovery 7:4

Children usually look to parents for their security. But sometimes parental security fails – a parent becomes ill, a weather-related event destroys a home, etc. Make sure your children understand that God will never let us down. Sure, bad things will happen to us here on earth because we're part of a sinful world, but He promises to help us through the tough times and once we trust Him as Savior, we will always be His child.
