Parent Page

Discovery 1:0

The Parent Page is for you! It provides tips and ways to encourage your child as he works through his book. Make sure you read and sign it.

Discovery 1:1

Psalm 100:3

Review: Romans 3:23

Tell your child how excited you are that he is in T&T. If he sees your excitement, then he will also be excited. Don't forget – your child needs to recite the question/answer and verse. (Although some leaders may ask the question and the clubber gives the answer and verse.)

Make sure your child also looked at and understands aClue4U.

Jeremiah 10:10a

Discovery 1:2

Review: Acts 16:13

Ask your child what two truths this verse says to us about God.

week three

Discovery

1:3 & 1:4

Discovery 1:3

John 17:17b

Psalm 119:42b

Review: 2 Corinthians 9:15

Encourage your child to look over the entire book to get an idea of what she will be learning this year. This is particularly necessary if your child will also be doing the Silver and Gold extra-credit sections. Some of those take a lot of time and your child will need to start early. Also, encourage her to start inviting friends to club.

Discovery 1:4

Books of the New Testament

Parents, Awana has a CD with the books of the Bible song on it. Listening to the song will help your child learn the order of the books. Ask your child's T&T leader about purchasing a copy of the CD. Or buy them at the Awana store. www.awana.org/store.

week four

Parents, encourage your child to say the verses to you. Check and make sure he is saying all the words correctly.
