

## West Park Security Team

### Safety and Security Awareness Tips

The West Park Security Team strives to insure that those that worship at West Park Baptist Church are provided with a safe environment. The following tips can enhance your worship experience and contribute to a safe environment for all:

- 1) Be aware of your surroundings.
- 2) Trust your instincts and be suspicious of things that don't look right.
- 3) Lock and close all car doors and windows, keeping cell phones, GPS devices and other valuables hidden—even if you'll only be away a short time.
- 4) NEVER leave children unattended in a vehicle for any length of time.
- 5) Please drive slowly through the church parking lot, especially between services. There are many children around campus that can quickly dart in front of your car.
- 6) If you see something, please say something.
- 7) **SAFETY FIRST!** Report anything suspicious to the West Park welcome desk, a Sheriff's Deputy or a West Park security team member. If you don't feel that you can get to a safe location, please call 9-1-1.
